Dear Secretary Homer:

I am pleased to advise you that the Fredericksburg City Council has adopted Resolution 05-80 on July 26, which supports the construction of High Occupancy Toll Lanes on Interstate 95. The Resolution encourages the Virginia Department of Transportation to incorporate the best elements of both proposals into the final construction agreement, and sets forth elements of the proposals that are important to the City of Fredericksburg.

Please find a certified copy of the resolution attached.

Please feel free to contact me at the above number with any questions.

Very truly yours,
